

iBS Modules

I downloaded the Biblical Illustrator commentary but it doesnt show commentaries for any verse of the bible. I use to read it when I had iOS6. Could anyone helo me with this issue please?

Try this direct download link from Safari of your iPad:

http://ibs.zbestway.com/download.php?file=Cmt/Biblical_Illustrator.cmt.twm.zip

After the download finish follow the steps of this FAQ [How to add new modules to iBS?](#)
